

# HOUSE OF CATS

## USER GUIDE

# Explore the Oval Office from Every Angle!

Navigate 360 degrees in the Oval Office using the touch-sensitive feature of your screen or simply move your phone.

Slide with your finger on the screen to rotate the camera or simply move your phone laterally

## Interact with other characters

Interact with our exclusive characters in the White House and discover some fun animations — we'll keep adding new animations frequently!

Tap on the characters to interact with them

# Invite Trumpy Cat Into Your Living Room!

Initiate the augmented reality mode to put Trumpy Cat wherever you want him! Get creative with AR mode and combine virtual reality with your reality!

Tap on **AR** to start the AR mode. Place the presidential seal where you want Trumpy Cat, then click on  to set him up. Once placed, rotate him by sliding your finger to the left or right. You can also adjust his size by pinching in or out.

Tap **AR** again to stop the AR mode.

*Moving your phone too quickly could result in the app losing the character's tracking. If this happens, simply click on  to make the disk reappear.*

# Hear His Most Famous Quotes!

Tap on the quote icon to discover some of Trumpy Cat's most famous quotes. There are tens of different quotes to enjoy and we'll keep adding new ones!

Tap once to shuffle the quote; hold the icon to repeat the last quote.

## Make Him Say Wathever You Want!

Tap the microphone to start recording your voice. Say something then press the microphone again to stop recording. Trumpy Cat will now repeat your sentence. Create as many funny quotes as you want!

on

off

Tap once to turn the mic on, tap again to turn the mic off.

# Record Your Own Videos!

Use the recording features to save your best moments with House of Cats.

Use the AR mode or the microphone to create hilarious videos.

Tap once to start recording, tap again to stop recording.

*On iOS, recording feature in AR mode is only available on iPhone 7 and higher versions.*
